AGENCY EMPLOYED NANNIES

Our experience has shown that many families find the process of employing a nanny to be time consuming and confusing. We provide more than a booking service; we offer peace of mind by ensuring that your nanny is carefully screened and insured, while managing all administration associated with employing and paying your nanny.

When Rogan Family Care employs your nanny, we take care of:

- paying your nanny through the agency payroll service by direct bank deposit every fortnight
- submitting PAYG taxation to the ATO
- issuing group certificates annually
- paying and managing superannuation
- paying and managing WorkCover insurance
- providing ongoing placement support to you and your nanny.

AGENCY NANNY FEES

ongoing nanny **from \$42.49/hour**

All rates are inclusive of salary, statutory costs, WorkCover insurance, professional insurance and agency fee. CPI increases from 1st July each year.

AGENCY NANNY FEES

Calculating the nanny fees can be complex as every family has different requirements. Your Rogan consultant will be able to give you more information as we guide you through the options in the placement process. We charge per family, not per child.

We take these factors into consideration when finding the best nanny for your situation:

- experience of the nanny
- qualifications of the nanny
- whether twins or triplets
- ages of children
- newborns or special needs
- your special requirements
- number of hours in an assignment
- additional non-child related tasks, if required
- amount of flexibility required
- your location
- travel distance required – your perfect match may live twice the distance away as other nannies on your shortlist
- how much time we have to find the right nanny.

FAMILY EMPLOYED NANNIES

If you are offering an ongoing position of 30+ hours, you may opt to employ your nanny directly. The agency supports and advises you with all aspects of the recruitment and selection process. The placement is guaranteed for three months from the date of commencement. No fee is charged to replace the nanny within the guarantee period.

You will be required to:

- devise an agreement which includes all mandatory requirements in line with the Fair Work Australia Act
- pay your nanny on a fortnightly or weekly basis, as agreed
- submit PAYG taxation payment summary to the ATO
- Issue a group certificate/payment summary annually
- pay and manage your nanny's superannuation
- pay and manage WorkCover insurance
- keep records of sick leave and annual leave.

RECRUITMENT FEE

The recruitment fee is calculated at 10% of the gross annual salary, including superannuation, + GST. This is a once only fee; no annual fees apply.

You can save valuable time and effort by employing your nanny under contract with the agency.

NANNY PAY

Current rates start from \$33.44 per hour, plus paid annual leave and sick leave for your nanny. 9.5% superannuation applies if the nanny works more than 30 hours per week.
